RE: Docket Nos. D2005.11.163 and D2005.11.164 – Utility Solutions

Pursuant to Commission Order Nos. 6707 and 6708, Utility Solutions, LLC is to file with the Commission an application for final order and permanent rates no later than July 1, 2007. Upon commencing preparation of the documents necessary to make the compliance filing ordered by the Commission, Utility Solutions discovered discrepancies in its compiled financial information.

Utility Solutions is in the process of reviewing all entries in its accounting program for the year 2006 to insure their accuracy. The process of review and making correcting entries will take some time. Utility Solutions, therefore, requests an extension of time to file until August 15, 2007.

Thank you in advance for your favorable consideration of this request.

Sincerely,

Barbara Campbell
