RE: 2018 Montana Motor Carrier Annual Reports

2018 Motor Carrier Annual Reports are due in the offices of the Montana Public Service Commission on or before **March 31, 2019**.

Annual Report forms are no longer mailed to carriers. If you do not have access to the web based forms you must call and request a form be mailed. Forms are located on the transportation page of the PSC website, http://psc.mt.gov/For-Regulated-Utilities/Compliance-Materials. You will find two versions of the Motor Carrier Annual Report form. The (pdf format) form can be printed, completed, signed, notarized, and returned to the PSC (you cannot enter data in the pdf form). If you have Excel software on your computer, the Excel version should first be saved to your computer and then completed. The Excel formulas will do the math calculations for you. You will still need to print the Excel version, sign it, have it notarized, and send it to the PSC.

- If you request an extension of time to file this report, you must do so in writing and include a copy of the extension request you filed with the IRS, and indicate in your letter when the report will be filed. PLEASE NOTE THAT EXTENSIONS BEYOND OCTOBER 1, 2019 WILL NOT BE GRANTED.
- If you have received permission to file on a fiscal year basis, please send written confirmation of your intent to file on the fiscal year end date previously established.

If your annual report is not postmarked by March 31, 2019, you will be out of compliance and further action will be taken by the Commission including possible revocation of your authority. If you have any questions concerning this renewal, please contact Shauna Simpson at 406-444-6180.
