This report must be filed with the Montana Public Service Commission on or before MARCH 31st of each year following that which the report is made. Filing of an annual report by motor carriers is prescribed by Section 69-12-401, MCA. Failure to submit this report in full may jeopardize your operating authority.

3. If there were no regulated intrastate moves during the filing period, a negative report may be filed. To file a negative report, complete the cover sheet and note that no regulated intrastate passengers or commodities were transported. No further financial information is required. Mail the completed cover sheet and signed and notarized oath page to the public service commission.

4. All annual report filings must be signed by owner or officer of the company and notarized by a notary public.

5. If a company operates under more than one PSC number, registered in exactly the same company name, a combined report may be filed. However that fact should be clearly noted on the cover of the report.
