Filing of an annual report by motor carriers is prescribed by Section 69-12-401, MCA. Failure to submit this report in full may jeopardize your operating authority.

- 1. Report should represent operations for the calendar year (January 1st to December 31st). If your company wishes to file on a fiscal year, a written request must be submitted to the Commission for approval. All subsequent reports must then be filed on the fiscal year end.
- 2. All data may be reported to the nearest whole dollar or whole number.
- If there were no regulated intrastate moves during the filing period, a negative report may be filed. To file a negative report, 'Check no in the appropriate box on Cover Sheet'. No further financial information is required. However, the report must be signed and notarized.
- 4. All annual report filings must be signed by an owner or officer of the company and notarized by a notary public.
- 5. If a company operates under more than one PSC number, registered in exactly the same company name, a combined report may be filed. However that fact should be clearly noted on the cover of the report.
